

## Fire Safety Memory Cards

Make sure  
your home is  
really safe,  
inspect for any  
risks!

Heaters are kept at least  
3-feet from  
things that  
can burn.

Grown-ups should stay right  
by the stove  
when they  
are frying  
food.

Grown-ups blow out lit  
candles  
before they  
leave a room!
