

Tentative Interim Amendment

NFPA 10

Standard for Portable Fire Extinguishers

2007 Edition

Reference: 7.1.2.3

TIA 07-1

(SC 08-7-17/TIA Log #913)

Pursuant to Section 5 of the NFPA Regulations Governing Committee Projects, the National Fire Protection Association has issued the following Tentative Interim Amendment to NFPA 10, *Standard for Portable Fire Extinguishers*, 2007 edition. The TIA was processed by the Technical Committee on Portable Fire Extinguishers, and was issued by the Standards Council on July 24, 2008, with an effective date of August 13, 2008.

A Tentative Interim Amendment is tentative because it has not been processed through the entire standards-making procedures. It is interim because it is effective only between editions of the standard. A TIA automatically becomes a proposal of the proponent for the next edition of the standard; as such, it then is subject to all of the procedures of the standards-making process.
