

NFPA 11A

---

11A-1 Log #CP1  
( Entire Document )

**Final Action: Accept**

---

**Submitter:** Technical Committee on Foam

**Recommendation:** The Technical Committee on Foam proposes a withdrawal of NFPA 11A, Standard for Medium- and High-Expansion Foam Systems, 1999 edition, in its entirety. The contents of the document have been added to NFPA 11 in a new Chapter 8 “Medium and High Expansion Systems”.

**Substantiation:** This action combines similar documents and enhances usability.

**Committee Meeting Action: Accept**
