3. **Approval of Minutes.** The minutes of the October 16-17, 2018 meeting were approved as distributed.
4. **NFPA 101 Second Draft.** The actions taken by NFPA 101 Technical Committees during First Draft were reviewed.
  - A. The actions taken on the public inputs submitted by HRB-SAC were reviewed. Public comments were developed as necessary. The proposed comments will be circulated for letter ballot.
  - B. The actions taken on tall timber buildings were reviewed. No action was taken by HRB-SAC but the topic will continue to be monitored.
5. **NFPA 241 First Draft.** The committee heard that NFPA 241 has been moved to the Annual 2021 cycle which means the public input closing date is now June 26, 2019. The committee developed public inputs that will be circulated for letter ballot.
6. **Occupant Evacuation Elevators.** J. Maddox and S. Weiss-Ishai gave presentation on occupant evacuation elevators. The committee visited three different sites, two of which are using occupant evacuation elevators. HRB-SAC still thinks this is an area where more information is needed, however they do not want to duplicate efforts. V. Ziavras will work with the NFPA library to see what research is available on OEO and OEE.
7. **New Business.** J. Pauls gave an update on the progress of the new RESNA Standard dealing with emergency stair travel devices.
